George

What can I say! You were
wonderful, terrific, outstanding.
I wish we could do it all over
again. The music was
excellent - Thank you Thank you!
People are still talking about
it.

And trust me...everyone felt the same way.

Thanks for doing such a wonderful job
of keeping our toes a'tappin.

We have 1 more daughter to
go.... We'll be calling you
in the future.
